Att inget är beständigt är det enda som består

Det sägs ju att man bara kan vara säker på tre saker här i livet: döden, skatter, och att man måste vrida en USB-kontakt två gånger innan den är vänd åt rätt håll. Jag är säker på att det är där den fjärde dimensionen finns, vad forskarna än säger om att det är tiden.

Det sägs ju också att man inte ska göra samma sak för länge. Ibland behöver man lite förändring. Så även den här karaokelistan. Den som har varit med förr kanske redan har noterat att allt inte är som det har varit tidigare. Den största ändringen är att kategorin Barn & Disney inte finns längre, utan har ersatts av Film & TV, för att ge ett antal låtar som tidigare bodde i Västerländskt en mer logisk plats att husera i. Nästan allt som låg i Barn & Disney ligger nu i den nya kategorin, med några få låtar som fick flytta ut till Västerländskt istället. Under Film & TV räknas även webbserier, som RWBY. De övriga kategoriändringarna som gjorts är rent semantiska: Spel heter numera Spel & VN, och Östasiatiskt har fått byta namn till Koreanskt & Kinesiskt. Enda anledningen till att den kategorin inte heter K-pop, vilket är vad den i huvudsak består av, är att det finns några jättefå kinesiska låtar däri som det hade känts fel att sortera in i någon annan kategori. Hade Övrigt fortfarande funnits hade de kanske kunnat hamna där, men *den* kategorin tog jag som väl är död på för årtal sedan.

Raison d'être truckar i alla fall på som vanligt i största allmänhet. Föreningsaktiviteten har efter återuppväckelsen varit igång i över ett år nu. Vi har varit på konvent, ordnat karaokekvällar, deltagit i diverse event. Arbetat med PR och rekrytering och hela baletten. Vi har en hemsida där man kan läsa om oss, en hemsida som inte heller är helt beständig. Den finns på <https://raisondetre.se> – men sidan som finns där när du läser det här är nödvändigtvis inte samma sida som fanns där när jag skrev det här. Man kan också komma och snacka med oss på Discord – ta dig in på <http://discord.raisondetre.se> så blir det bra. Medlem går det också jättefint att bli i vår förening! Det kostar en femtiolapp om året och som medlem får man komma in gratis på våra karaokekvällar, vara med och diskutera saker på våra styrelsemöten, möjligheten att boka oss till privata fester och så får man också chansen att vara med och jobba med oss på konvent. Man får dessutom en x2 multiplier på all EXP inom en femton meters radie från vårt karaokerum på konvent. Nej, okej, den hittade jag bara på.

Det här vore inte heller en introtext till en karaokelista om jag inte tog tillfället i akt och pratade om att göra karaoke. För det är på det sättet den här karaokelistan kan växa. Tack vare alla eldsjälarna både i och utanför föreningen som knackat ihop karaokefiler. Tidskodat text. Stylat till det med färger och snygga bilder. Överlåt det till oss så att vi kan göra det tillgängligt för alla som kommer och vill sjunga. Om det är någon låt du saknar i vår digra databas så är det bara att ta saken i egna händer! En guide till hur man gör kan man antagligen hitta genom vår hemsida, men den har också ett permanent hem på <https://studiodaikon.se/guide/> (Studio Daikon är en liten cirkel inuti föreningen Raison d'être, som mest håller på med dumma svensktexter och sånt). Det går också bra att fråga oss om allt sånt där på Discord – vi hjälper gärna till så gott vi kan!

Titeln på sidan kommer för övrigt från Just Ds *Plast*, från albumet med samma namn. Ni vet, den där plattan med teckningar i mangastil i konvolutet. Det är en av de nya låtarna i den här editionen av listan – bland en hel mängd andra! Däribland säkert någonting just *du* vill sjunga, så vad väntar du på?
